# CASABLANCA 2.0 CHROMATIC PORCELAIN

**NEMO**  
TILE + STONE

*V3 Variation | Matte and Deco  
Hatch Finish*

# CASABLANCA 2.0

An expansion of Nemo Tile's Casablanca line, Casablanca 2.0 is a 5" square porcelain in a matte finish that is applicable for floors. Additionally, there is a new deco 'Hatch' that is a clear glaze over the tiles in different locations and angles. Great way to add pattern without it being overwhelming. The watercolor tones mirror the style of handmade tiles with high shade chromatic variation for a unique final installation.
