

The background of the advertisement is a large, high-resolution image of the Leon Marble Look Porcelain tile. The tiles are laid in a staggered pattern, showing a realistic marble pattern with white, grey, and gold veins. In the top left corner, there is a small potted plant with green leaves. In the top right corner, there is a circular wooden table with a metal ring on it. In the middle right, there is a white cup of coffee and an open book on the table. The overall aesthetic is modern and sophisticated.

LEON

Leon explores marble and color in an elegant selection of highly decorative surfaces. The appeal of these surfaces is further enhanced by exclusive new finishes such as the Antique3D, which recreates the sensation of time-worn floors in historic Italian buildings and stately homes. Leon consists of rectified modular sizes that allow for coordinated use.
