CLASSIC GROOVES

Graphic movement is enhanced with subtle striations and tone-on-tone optics. The end result is a series of graphically enhanced warm and cool neutral tiles complemented by an array of decorative accents. Sustainably made in the USA, Classic Grooves is at once timeless as it is contemporary. Classic Grooves comes in two unpolished field tile sizes: 12"x24" and 24"x24". Mosaic options emulate palm designs, with two linear accents featuring metallic glazes, a sheet mosaic of individually cut palm shapes, and a traditional 2x2 mosaic.
